

OSRAM LEDriving® Lightbar VX1000-CB SM

Bringing light to life mit den OSRAM LEDriving® driving and working lights

Considerable foresight on dark country roads, forest paths, off the beaten tracks, off-road and on-road- this can be achieved with the OSRAM LEDriving® Lightbar VX1000-CB SM. With its 36 powerful, high-performance OSRAM long-life LEDs, the VX1000-CB SM has a range of up to 525 meters and thus offers the driver impressive foresight on-road and off-road. The auxiliary headlight ensures conditions similar to daylight in twilight and reduced visibility due to external environmental influences with up to 6000 Kelvin.

In addition the VX1000-CB SM scores with highest optical efficiency, a homogeneous light distribution, high-quality processed materials, such as the aluminum housing and the stable polycarbonate lens and a service life of up to 5000 hours. The OSRAM LEDriving® Lightbar VX1000-CB SM can lead to improved visibility for you and improved visibility of your vehicle by other road users, consequently increased safety on-road and off-road. For this ECE certified LED driving light no registration and no entry in the vehicle documents is necessary²⁾

Features

- Double ECE certification - 2 x ECE R112
- 36 long-life high-performance OSRAM LEDs
- Combo-Beam (CB): combined near- and farfield illumination
- Aluminum housing and shatterproof polycarbonate lens
- Up to 6000 Kelvin and up to 6000 lumens
- Exceptionally long operating time with up to 5000 hours
- Mounting material included in scope of supply
- IP protection class: IP67
- 2-year OSRAM Guarantee¹⁾

Benefits

- No registration or entry in the vehicle documents is necessary for this ECE-certified LED driving light²⁾
- Linear and homogenous light distribution
- Improved visibility and view in low light conditions
- Lightweight and at the same time robust and resistant
- Insensitive to shocks and the ingress of dust and water
- Simple and reliable cable connection
- Protection against overheating
